

## LIVINGSTON LIST OF MEN DEPARTING

John Arnold, who has been quite sick with typhoid fever for some time, is slowly improving. —Robert Parker has moved his family to Jellico, Tenn. —Bill Durham, of near town, has put up a butcher shop here and is selling steak for twenty cents per pound. This sounds good to us. —Mrs. H. O. Wagoner, who has been quite sick for some time is better. —We informed the readers of the Signal last week that our old friend Marcet would say something about the rabbits. We have heard of men eating all kinds of monkeys and all kinds of snakes, but what kind of boose would a man drink to see transparent caterpillars playing leap frog on Main street at the county seat. Any one that can beat this we will set up the peanuts. —R. D. Stedham and George Hellard were in London, Sunday. —Mrs. S. C. Hellard, of Mt. Vernon, was here between trains Sunday. —W. T. Owens, of Covington, is taking a few days rest and visiting friends and relatives here. —W. A. and Robert Warren, of this place, were called to Kn xville, Sunday on account of the serious illness of their brother George. —Judge J. S. Caloway is on the poney list this week. —Alvin Carico will move his family to Louisville in a few days, as he has a job there as engineer on a yard engine. —Mr. Mr and Mrs. Leroy Cox have returned from London, after a few days visit with relatives. —Last Tuesday as a lineman was going through tunnel 18, on the K. C. Division of the L. & N., his speeder was thrown from the track, and upon investigation found a spike driven between the rails and bent down and a large piece of iron and a stone placed on the rail. This occurred just a little while before No. 32, the fast train, was due, and the finding of the obstruction perhaps saved many lives. What kind of a person is it that will do such things, or are they brutes in human clothes. A quick arrest and speedy judgement and full punishment should be meted out to all such people. —Mr. and Mrs. James Southards, of Henderson, are visiting relatives here this week. —Mrs. W. M. Eubanks, of Covington, Ky., returned home Wednesday, after a few days visit with Mrs. G. D. Cook. —Jacob Pike, of Wallens, Ky., has been here for a few days with relatives. —George Owens, of Mt. Vernon, the monument and moving picture man, was here between trains Wednesday. —J. E. Woodall, the London salesman, was here between trains Wednesday. —J. W. Baker, of Mt. Vernon, was in our town Sunday. —Mrs. Cleo Griffin and little son, George Samuel, has returned from London after a few days visit with relatives. —A coal mine is being opened near where the Dillons switch once was on Rockcastle river. A siding is being put in and in the near future they will begin shipping coal. —J. E. Singleton is foreman at the mine. —Dr. R. G. Webb has returned from Louisville and he attended the State Fair while in the city. —Mrs. W. M. Odell and children have gone to join her husband in Virginia, where he has a job in the coal fields. —Mr. and Mrs. B. H. Griffin have returned from Paris and Lexington after a weeks visit with relatives and friends. —Misses Ja'ette Griffin and Marie Rambo visited Mt. Vernon and the Buckeye section, latter part of last week. —Bill Owens closed a ten days singing at the Baptist church, Sunday night and returned home to Quail, Monday. —Mrs. S. C. Franklin of Mt. Vernon, visited Mrs. W. M. Owens, Tuesday. —Mrs. Oscar Argenbright and children, after a weeks visit with relatives at Lexington, have returned home. —Mr. and Mrs. J. T. Omary, Mrs. W. A. and Mrs. C. H. Rice motored to Stanford, Tuesday, and spent the day. —Charley Thompson, cashier of the First State Bank, at Livingston, was in Mt. Vernon, Sunday. —Fred Cortongim has been given a place as brakeman here instead of Paris, where he formerly was located.

## Personal Belongings Permitted At Camp

Headquarters 27th P.T. Battalion.  
159 Depot Brig.  
Camp Taylor, Kentucky,  
September 14, 1917.  
LOCAL CONSCRIPTION BOARD,  
Rockcastle County,  
Mt. Vernon, Ky.  
Gentlemen:  
I understand that the impression prevailed that drafted men should bring with them to Camp Taylor personal belongings whatever except the clothes worn on the body. This impression should be corrected. There are some necessities the government never furnishes, there are others that the government usually furnishes, but cannot now furnish.  
In view of the fact that the men from your county will be assigned to the Battalion of which I am in command, I would suggest that each man bring the following articles:  
Cap.  
Work trousers.  
Extra suit underwear.  
2 pair socks, extra.  
Handkerchiefs.  
Towels.  
Soap.  
Comb and brush.  
Tooth brush.  
Shaving outfit.  
I do not require the men to bring these articles, but advise them to do so if they have them or can readily purchase them.  
It also occurs to me that it would be well for you to publish a notice to this effect in your local paper.  
As soon as you know when your men will be expected to arrive here I should be pleased to have you write me stating probable time of arrival and the number of men.

Our Battalion is very badly in need of cooks. If you have any cooks of fair ability which are included in the draft list, please make arrangements to send them in the next quota, and write me at once if possible names, qualifications and experience. It is of the utmost importance that our men should be properly fed and I would ask you to give this matter most careful attention.  
Very truly,  
MORTON C. CAMPBELL,  
Captain Int. N. A.,  
Commanding Battalion.

Louisville, Ky.,  
Sept. 18, 1917.  
Dr. M. Pennington,  
Chairman, County Council of Defense,  
Mt. Vernon, Ky.  
The Federal Food Administration is preparing to make an intensive campaign week of Oct. 21st to secure a large increase in signatures of the Family Pledge Food saving card. The State Chairman, Womens Committee of Council of Defense has suggested the name of Miss Mary Bradley as Chairman, Womens Committee in Rockcastle County. Please advise if Miss Bradley will undertake the work and assist you as Chairman in perfecting organization and managing the campaign, which will require the securing of many workers for house to house canvass that week.  
F. M. Sachett,  
United States Food Commissioner for Kentucky.  
Miss Bradley accepts this position and will call on teachers and others throughout the county to help with this work.

These speakings will be given for the purpose of helping the people to understand the importance of the conservation of all food stuff at this time, and also of the importance of preparing for larger and better crops next year. This subject is of such importance that the speaker should be encouraged by well filled houses at each of the above points.

## THE COUNCIL OF NATIONAL DEFENSE, By C. C. Davis, Secy.

EXPERIENCE THE BEST TEACHER.  
It is generally admitted that experience is the best teacher, but should we not make use of the experience of others as well as our own? The experience of a thousand persons is more to be depended upon than that of one individual. Many thousands of persons have used Chamberlain's Cough Remedy for coughs with the best results, which shows it to be a thoroughly reliable preparation for those diseases. Try it. It is prompt and effectual and pleasant to take.
